## SUMMARY

---

Passionate Front-End Developer skilled in building responsive, user-friendly web interfaces using Angular, TypeScript, and modern front-end technologies. Experienced in API integration, and component-based architecture. Proven ability to write clean, maintainable code and continuously learning new tools and best practices.

Demonstrated teamwork, problem-solving, and time management skills through academic projects and volunteer roles. Actively seeking **full-time or part-time opportunities** to contribute, grow, and make a positive impact in the software development field.

## EXPERIENCE

---

### - Freelance Front-End Developer (10/2025 – Present)

Built reusable and scalable UI components using Angular 19, Tailwind CSS, and PrimeNG. Implemented responsive layouts and ensured cross-device compatibility. Translated **Figma designs** into clean, user-friendly interfaces. Followed component-based architecture and clean code practices.

### - Front-End Developer at Learnovia (8/2024 – 9-2025)

Developed responsive and interactive UI components using **Angular** and **TypeScript**. Collaborated with **UX/UI designers** and developers to translate **Figma designs** into functional web interfaces. Maintained clean, reusable, and well-documented code following best practices. Used **Git** and browser developer tools for version control, debugging, and performance optimization.

## EDUCATION

---

### Bachelor's Degree in Business Information Systems

Faculty of Commerce and Business Administration – Helwan University (2020 – 2024)

## Skills

---

**Programming Languages:** C++, JavaScript, TypeScript

**Frontend Development:** HTML5, CSS3, SCSS, Bootstrap, Tailwind CSS, Angular (14+), PrimeNG

**Tools:** Git, GitHub, Postman, Swagger, Chrome DevTools

## LANGUAGES

---

Arabic - Native Language      English - Very good
